SAVOURY SHORTCRUST PIE SHELLS & PUFF TOPS

Our Savoury Pie Shell range is available in a number of unique shapes and sizes. Using the same quality recipe as our Shortcrust Pastry Shells, this variety is more commonly used as a finished savoury pie to be served on a plate in a Pub or Club, sold in a Bakery or Patisserie out of a pie warmer, or used and sold in Butcheries, Cafes or Takeaway Outlets. Baking temperatures and cooking times will vary depending on the type of oven you bake your pies in.

Remember to open your steam vent fully on your oven to allow any excess steam to disperse through the vent. This will help dry bake your pastry to develop a superior tanned and caramelised finish to your pie. Ensure the pastry shells are defrosted, the fill is at room temperature, and the pie top is scored to allow steam release.
